Healthful horseback exercise, is being indulged in by the ladies.

J. B. HUSTON, of LaPlata, was in town Wednesday.

During these pleasant evenings, Kirkville exhibits considerable bustle.

We call attention to the financial statement of the Kirkville Savings Bank in this Graphic.

Decorations day next Monday. Come early and take part in the exercises. Program in this Graphic.

We understand that Mr. John Siegler is building a very fine barn on his farm northeast of town.

Memorial Services at the M. E. church next Sunday at 11 o'clock. Rev. J. M. Parker conducting the services.

Rev. W. L. Fletcher will preach at Troy Mills the first Sunday in June at 2 o'clock p. m. All are invited.

The poultry buyer is again in town. If you have poultry to sell take advantage of the good prices. See card.

We want a few more back numbers of the GRAPHIC. Parties who so kindly responded to our request will please accept thanks.

Fine rains visited Brashear and the neighborhood of Prairie Bird last Sunday. Considerable hail fell at Brashear but no damage is reported.

The Q. M. & P. Ry., has paid out several thousand dollars for property, in Trenton, within the last few days, which has been condemned to make room for the connection with the Rock Island.

Rev. J. B. Mitchell will preach at Shibley's Point next Saturday at 4 p. m. and Sabbath at 11 a. m. and 4 p. m. The Lord's supper will be administered during the forenoon service.

Miss Ella Ray, daughter of Rev. Key of this city, was married to Mr. J. B. Miller of Blackfoot, Idaho, Wednesday of last week. An extended notice of the wedding, clipped from the "Idaho Reporter" will be given next week.

Letters patent have been granted Mr. P. H. Moore for a flood fence. The American Patent Agency has already begun a correspondence with Mr. M. with a view to purchasing the exclusive right, and it is probable that he will realize a handsome sum for his invention. The GRAPHIC congratulates him.

Mr. Arthur Willard, eldest son of L. A. Willard, has received the appointment of Naval Cadet at Annapolis, Md., for the first congressional district of Missouri. Arthur is one of our brightest young men and we predict for him a brilliant career.

Tuesday the band boys received their new instruments. They are very fine and the boys are justly proud of them. In the evening the occasion was celebrated by a banquet at the residence of the leader, C. Frank Jones. A Graphic reporter dropped in on the Merry crowd in time for refreshments and did ample justice to the angel food, and abundance of other delicacies spread for the immodest guest. After the banquet several choice selections of music were rendered. The G. A. R. band of this city is second to none in north Missouri.

As soon as practicable the ladies of Kirkville will give a lawn social, and ice cream festival in the park, the proceeds to go toward placing an iron fence around the park. A collection among the business men will then be taken, and with these donations the County Court will be confronted and asked to "chip in." The park belongs to the county, and one of the most pleasant sights on a busy day, in the summer time, is to see the park well filled with farmers enjoying their dinners under the beautiful trees. We are sure the county court will meet the people of Kirkville, at least half way, in this matter.
